

Caribbean Developments (Antigua) Ltd.

Jolly Harbour, Antigua: January 19, 2012: The Management of Caribbean Developments (Antigua) Ltd, members of the Jolly Harbour community and representatives of the JHHA met on Wednesday, January 18, 2012.

The purpose of this meeting was to form the Jolly Harbour Community Committee and subsequent sub-committees, comprised of Jolly Harbour stakeholders and CDAL, to begin dialogue on a host of issues affecting the management of the operations of Jolly Harbour and the future development of the community.

Caribbean Developments (Antigua) Ltd's General Manager, Gaye Hechme chaired the meeting and expressed her view that 2012 must be a year in which a new understanding is forged between CDAL and the members of the Jolly Harbour community. The objective is to have comprehensive and substantial dialogue with all Jolly Harbour stakeholders with the understanding that a better working relationship is to be built on facts, transparency and the intention of all parties work together for the benefit of the community.
